3 29 support and enhances the drug court's effectiveness.
3 30 Sec. 3. NEW SECTION. 124D.3 FINDINGS AND DRUG COURT
3 31 GOALS.
3 32 1. The general assembly finds that a critical need exists
3 33 in this state for the criminal justice system to assist in
3 34 reducing the incidence of substance abuse and the crimes
3 35 resulting from such abuse. For the criminal justice system to
4 1 maintain its credibility, all drug offenders must be held
4 2 accountable for their actions. A growing body of research
4 3 demonstrates the impact of substance abuse on public safety,
4 4 personal health and health care costs, the spread of
4 5 communicable disease, educational performance and attainment,
4 6 workforce reliability and productivity, family safety, and
4 7 financial stability. Requiring accountability and
4 8 rehabilitative treatment, in addition to or in place of
4 9 conventional and expensive incarceration, will promote public
4 10 safety and the welfare of the individuals involved, reduce the
4 11 burden upon the public treasury, and benefit the common
4 12 welfare of this state.
4 13 2. The goals of this chapter include all of the following:
4 14 a. To enhance community safety and the quality of life for
4 15 citizens of this state.
4 16 b. To reduce recidivism.
4 17 c. To reduce substance abuse.
4 18 d. To increase the personal, familial, and societal
4 19 accountability of drug offenders.
4 20 e. To restore drug offenders to productive, law-abiding,
4 21 and taxpaying citizens.
4 22 f. To promote effective interaction and use of resources
4 23 among criminal justice and community agencies.
4 24 g. To reduce the costs of incarceration.
4 25 h. To improve the efficiency of the criminal justice
4 26 system by enacting an effective methodology.
4 27 3. The general assembly finds that, as a general
4 28 proposition, a drug offender should not be permitted to exit
4 29 the criminal justice system until the offender has undergone
4 30 an evaluation and an appropriate form of treatment. The

4 31 decision whether that treatment is provided in jail, prison,
4 32 or elsewhere should be made by the courts based not only upon
4 33 traditional sentencing criteria but also upon the professional
4 34 diagnostic evaluation of each drug offender and the specific
4 35 recommendations of the evaluation. The criminal justice
5 1 system should be used constructively to motivate drug
5 2 offenders to accept treatment and engage in the treatment
5 3 process.

5 4 4. In addition, the general assembly finds that, while
5 5 participating in a drug court reshapes the traditional roles
5 6 of a judge and a lawyer, ethical duties do not significantly
5 7 differ from those in traditional courtrooms. A drug court
5 8 judge and a drug court lawyer must adhere to the standards set
5 9 forth in the model code of judicial conduct, the model rules
5 10 of professional conduct, and the American bar association
5 11 standards of criminal justice. The proper exercise of the
5 12 roles of a judge or a lawyer in the drug court need not
5 13 conflict with such person's ethical obligations and can enable
5 14 a judge or a lawyer to fulfill the highest aspirations of
5 15 their professional ethics while embarking on an innovative way
5 16 to break the cycle of substance abuse and crime. A drug court
5 17 judge and a lawyer must remain continually cognizant of the
5 18 due process rights guaranteed to all citizens and the state's
5 19 substantial interest in maintaining effective and efficient
5 20 judicial and penal systems.

5 21 Sec. 4. NEW SECTION. 124D.4 DRUG COURT STRUCTURE.

5 22 1. Each judicial district shall establish a drug court
5 23 under the purview of a local advisory committee established
5 24 pursuant to section 124D.10. The purpose of the drug court
5 25 shall be to appropriately address substance abuse problems
5 26 through the judicial system and to make drug courts a
5 27 condition of pretrial release, probation, jail, prison,
5 28 parole, or other release from a correctional facility.

5 29 2. A drug court shall be established by written agreement
5 30 between the county attorney and a majority of the district
5 31 judges in the judicial district. The written agreement shall
5 32 include incentives for a drug offender who is performing
5 33 satisfactorily and sanctions including incarceration or
5 34 expulsion for a drug offender who is performing
5 35 unsatisfactorily.

6 1 3. If the court finds that the drug offender is performing
6 2 satisfactorily in drug court, the court may grant incentives
6 3 to the drug offender under the following circumstances:

6 4 a. The drug offender is benefiting from education,
6 5 treatment, and rehabilitation.
6 6 b. The drug offender has not engaged in criminal conduct.
6 7 c. The drug offender has not violated the terms and
6 8 conditions of the agreement.

6 9 4. The court may impose sanctions under the following
6 10 circumstances:

6 11 a. The drug offender is not performing satisfactorily in
6 12 drug court.
6 13 b. The drug offender is not benefiting from education,
6 14 treatment, or rehabilitation.
6 15 c. The drug offender has engaged in conduct rendering the
6 16 drug offender unsuitable for the drug court program.
6 17 d. The drug offender has violated the terms and conditions
6 18 of the agreement.
6 19 e. The drug offender is for any reason unable to
6 20 participate.

6 21 5. Upon successful completion of drug court, a drug
6 22 offender's case shall be disposed of by the judge in the
6 23 manner prescribed by the agreement and by the applicable
6 24 policies and procedures adopted by the drug court. This may
6 25 include, but is not limited to, withholding criminal charges,
6 26 dismissal of charges, deferral of judgment or sentence, or
6 27 suspending the sentence.

6 28 6. A drug court must include the ten key components and
6 29 the drug court team shall act to ensure compliance with such
6 30 components.

6 31 7. Cases handled pursuant to this chapter shall be
6 32 calendared on dedicated dockets and set aside from other
6 33 criminal cases.

6 34 8. Each judicial district shall establish a drug court or
6 35 continue the operation of an existing drug court and shall
7 1 establish a local drug court team.

7 2 9. The drug court team shall, when practicable, conduct a
7 3 staffing prior to each drug court session to discuss and
7 4 provide updated information regarding drug offenders. After
7 5 determining such drug offenders' progress, the drug court team
7 6 shall agree on the appropriate incentive or sanction to be

7 7 applied to each drug offender, if any, subject to court
7 8 approval. If the drug court team cannot agree on the
7 9 appropriate action, the court shall make the decision based on
7 10 information presented in the staffing.

7 11 10. Nothing contained in this chapter shall confer a right
7 12 or an expectation of a right to participate in drug court nor
7 13 shall it obligate the drug court to accept every drug
7 14 offender. The establishment of a drug court shall not be
7 15 construed as limiting the discretion of the county attorney to
7 16 act on any criminal case which the county attorney believes is
7 17 advisable to prosecute. Each drug court judge may establish
7 18 rules and may make special orders and rules as necessary that
7 19 do not conflict with the Iowa rules of criminal procedure and
7 20 the rules of the state court advisory commission.

7 21 11. A drug court coordinator shall be responsible for the
7 22 general administration of the drug court.

7 23 12. The supervising agency shall timely forward
7 24 information to the drug court concerning the drug offender's
7 25 progress and compliance with any court-imposed terms and
7 26 conditions.

7 27 Sec. 5. NEW SECTION. 124D.5 EVALUATION.

7 28 1. An offender arrested shall be ordered to undergo an
7 29 evaluation by the court if any of the following apply:

7 30 a. The present offense involves a controlled substance or
7 31 an operating-while-intoxicated offense.

7 32 b. The offender requests an evaluation.

7 33 c. The offender admits to substance use or abuse within
7 34 the year preceding the arrest for the present offense.

7 35 d. The results of any drug test are positive.

8 1 e. The offender has a previous conviction involving a
8 2 controlled substance or has a prior conviction for operating
8 3 while intoxicated.

8 4 2. Notwithstanding the requirements of subsection 1, the
8 5 court shall order an offender to undergo an evaluation if the
8 6 court has reason to believe the offender is a substance abuser
8 7 or would otherwise benefit from undergoing an evaluation.

8 8 3. If an offender is required to undergo an evaluation and
8 9 has not done so at the time of the offender's release prior to
8 10 trial or on probation, submission to an evaluation shall be a
8 11 condition of the offender's pretrial release, probation, or
8 12 parole.

8 13 4. Unless otherwise ordered by the court, the drug test
8 14 results and evaluation of an offender shall be provided within
8 15 fourteen days of the offender's initial appearance before the
8 16 drug court team.

8 17 5. The evaluation shall include recommendations concerning
8 18 the offender's need for substance abuse treatment and the
8 19 appropriate and available course of treatment necessary to
8 20 address the offender's needs.

8 21 6. Any person receiving drug test results, an evaluation,
8 22 or other personal medical information shall maintain that
8 23 information in accordance with federal and state
8 24 confidentiality laws.

8 25 Sec. 6. NEW SECTION. 124D.6 TREATMENT == ORDER.

8 26 1. A court shall order an offender to participate in drug
8 27 court if any of the following apply:

8 28 a. An evaluation reveals that an offender is a substance
8 29 abuser, and the evaluation recommends that the drug offender
8 30 participate in drug court.

8 31 b. The court makes a finding that participation in drug
8 32 court would benefit the drug offender by addressing the
8 33 offender's substance abuse.

8 34 c. The county attorney consents to the drug offender's
8 35 participation in the program.

9 1 2. If the court determines that participation in drug
9 2 court will not benefit the offender, or the offender is not an
9 3 appropriate candidate, notwithstanding a recommendation
9 4 pursuant to the evaluation that the offender participate in
9 5 such treatment program, the court shall record its
9 6 determination in the confidential treatment file and make a
9 7 general finding on the record that the offender is ineligible
9 8 to participate in drug court.

9 9 Sec. 7. NEW SECTION. 124D.7 TREATMENT AND SUPPORT
9 10 SERVICES.

9 11 1. As part of the evaluation, each jurisdiction shall
9 12 establish a system to ensure that drug offenders are placed
9 13 into a clinically approved substance abuse treatment program.
9 14 The program conducting the individual evaluations should make
9 15 specific recommendations to the drug court team regarding the
9 16 type of treatment program and duration necessary so that a
9 17 drug offender's individualized needs can be addressed. The

9 18 evaluations and resulting recommendations should be based upon
9 19 objective medical diagnostic criteria. Treatment
9 20 recommendations accepted by the court, pursuant to this
9 21 chapter, shall be deemed to be reasonable and necessary.
9 22 2. Each local advisory committee shall establish an
9 23 adequate continuum of care for drug offenders to meet the
9 24 requirements of this chapter.
9 25 3. A drug court shall, when practicable, ensure that no
9 26 agency or organization provides both evaluation and treatment
9 27 services for the drug court to avoid potential conflicts of
9 28 interest or the appearance that a given diagnostic evaluation
9 29 agency or organization might benefit by determining that an
9 30 offender is in need of the particular form of treatment that
9 31 the evaluator provides.
9 32 4. A drug court making a referral for substance abuse
9 33 treatment shall refer the drug offender to a program that is
9 34 approved by the court.
9 35 5. The court shall determine which treatment programs are
10 1 authorized to provide the recommended treatment to a drug
10 2 offender. The relationship between the treatment program and
10 3 the court shall be governed by a memorandum of understanding,
10 4 which shall include the timely reporting of the drug
10 5 offender's progress to the court.
10 6 6. Recognizing that drug offenders are frequently dually
10 7 diagnosed, appropriate services shall be made available to a
10 8 person with a dual diagnosis.
10 9 Sec. 8. NEW SECTION. 124D.8 DRUG TESTING.
10 10 1. A drug court team shall ensure fair, accurate, and
10 11 reliable drug testing procedures.
10 12 2. A drug offender shall be ordered to submit to frequent,
10 13 random, and observed drug testing to monitor abstinence.
10 14 3. The results of all drug tests shall be provided to the
10 15 drug court team as soon as practicable, but in the event of a
10 16 positive drug test, not later than seven days from the test.
10 17 4. Any person receiving drug test results shall maintain
10 18 the information in compliance with the requirements of federal
10 19 and state confidentiality laws.
10 20 Sec. 9. NEW SECTION. 124D.9 STATE DRUG COURT ADVISORY
10 21 COMMISSION == CERTIFICATION OF DRUG COURTS.
10 22 1. The state drug court advisory commission shall be
10 23 established by the chief justice of the supreme court to plan,
10 24 implement, and develop drug courts.
10 25 2. The commission shall consist of members of the
10 26 executive, legislative, and judicial branches of government,
10 27 and representatives of the collaborative partners involved in
10 28 the drug courts. The chair and staffing of the commission
10 29 shall be determined by the chief justice.
10 30 3. The commission shall make recommendations to the chief
10 31 justice and representatives of the executive and legislative
10 32 branches for developing a comprehensive, coordinated state
10 33 policy concerning the extent to which a drug court can provide
10 34 a meaningful solution to the devastating effects of substance
10 35 abuse on society.
11 1 4. The commission shall recommend criteria for eligibility
11 2 for a drug court program, promulgate procedural rules,
11 3 establish guidelines for operation, and draft standards and
11 4 protocols. The commission shall periodically review and
11 5 revise the rules, guidelines, and standards and protocols, and
11 6 shall take such other actions as are necessary and
11 7 appropriate.
11 8 5. The commission shall identify existing resources for
11 9 evaluation and treatment and make recommendations for the
11 10 allocation of those resources.
11 11 6. The commission shall explore grants and funds necessary
11 12 to support drug courts.
11 13 7. The commission shall promote training and technical
11 14 assistance for criminal justice personnel and education for
11 15 the public about the effectiveness of drug courts.
11 16 8. The commission shall certify that a drug court is in
11 17 compliance with the standards established by the commission
11 18 and shall revoke the certification of a drug court that does
11 19 not comply.
11 20 9. The commission has general statewide oversight, but the
11 21 chief judge in each judicial district shall appoint a local
11 22 advisory committee to advise a drug court at the local level
11 23 pursuant to section 124D.10.
11 24 10. The commission shall establish evaluation criteria and
11 25 procedures, including criteria and procedures for tracking the
11 26 status of drug offenders after concluding drug court. The
11 27 commission shall serve as a repository of the critical data
11 28 elements collected under section 124D.11 from drug courts

11 29 around the state.

11 30 11. The commission shall provide a statewide report
11 31 annually to the state supreme court, general assembly, and
11 32 governor regarding the need for, and implementation of, this
11 33 chapter. The report shall include a synopsis of such
11 34 information or data necessary to determine the impact,
11 35 utility, and cost-effectiveness of the chapter's

12 1 implementation and ongoing operation.

12 2 Sec. 10. NEW SECTION. 124D.10 LOCAL ADVISORY COMMITTEE.

12 3 1. The chief judge in each judicial district shall appoint
12 4 a local advisory committee to advise the drug court
12 5 established in the district. The local advisory committee
12 6 shall ensure the provision of a full continuum of care for
12 7 drug offenders. The local advisory committee shall ensure
12 8 quality, efficiency, and fairness in planning, implementing,
12 9 and operating a drug court that serves the jurisdiction.

12 10 2. The local advisory committee shall annually report to
12 11 the state drug court advisory commission by January of each
12 12 year. The report must include:

12 13 a. A description of the drug court operating within the
12 14 jurisdiction.

12 15 b. The judges serving in a drug court.

12 16 c. The community involvement.

12 17 d. Education and training of attorneys and judges.

12 18 e. The use of moneys appropriated or provided to the drug
12 19 court.

12 20 f. Any collaborative efforts undertaken with other
12 21 agencies, organizations, or local authorities.

12 22 g. An evaluation of the critical data elements required by
12 23 section 124D.11.

12 25 collected by or appropriated to the drug court.

12 26 Sec. 11. NEW SECTION. 124D.11 COLLECTION OF INFORMATION.

12 27 1. A drug court shall collect and maintain the following
12 28 critical data:

12 31 information on the drug offender's success or failure in any
12 32 treatment programs.

12 35 any child custody and support obligations.

13 1 e. The number of relapses occurring during and after drug
13 2 court has been completed.

13 3 f. The number of relapses occurring after a failed attempt
13 4 in drug court.

13 5 g. The number of offenders screened for eligibility, the
13 6 number of eligible drug offenders who were admitted into drug
13 7 court, and the number of offenders who were not admitted.

13 8 h. The drug offender's drug of choice and the estimated
13 9 daily financial cost of the substance abuse to the drug
13 10 offender at the time of entry into the program.

13 12 2. A drug offender may be required as a condition of
13 13 pretrial release, probation, or parole to provide the

13 17 guidelines established by the state drug court advisory
13 18 commission pursuant to section 124D.9.

13 19 3. Treatment records must be kept in a secure environment,
13 20 separated from the court records to which the public has
13 21 access.

13 22 Sec. 12. NEW SECTION. 124D.12 PAYMENT OF COSTS.

13 23 A drug offender shall pay a reasonable portion of the cost
13 24 to participate in drug court. The costs assessed shall be
13 25 compensatory and not punitive in nature and shall take into
13 26 account the drug offender's ability to pay. Upon a showing of
13 27 indigency, the drug court may reduce or waive costs under this
13 28 chapter. Any payments of such costs received by the court
13 29 from an offender shall not be considered court costs,
13 30 surcharges, or fines. The costs collected under this section

14 5 accepted manner, a specimen of breath, blood, urine, or other
14 6 bodily substance pursuant to any provision of this chapter
14 7 shall not be liable in any civil action.
14 8 Sec. 14. Section 901.5, Code 2005, is amended by adding
14 9 the following new subsection:
14 10 NEW SUBSECTION. 13. The court may order the defendant to
14 11 participate in drug court pursuant to chapter 124D, if the
14 12 defendant is eligible.

14 13 EXPLANATION

14 14 This bill relates to the creation of drug courts.
14 15 The bill requires each judicial district to establish a
14 16 drug court. Under the bill, a drug court shall be established
14 17 by a written agreement between the county attorney and a
14 18 majority of the district judges within the judicial district.

14 19 The bill establishes a state drug court advisory commission
14 20 to plan, implement, and develop drug courts at the state
14 21 level. The bill also provides for the establishment of local
14 22 advisory committees to ensure a full continuum of care is
14 23 provided for drug offenders. The bill also provides that
14 24 local advisory committees shall collect and evaluate data from
14 25 the drug court and provide the state drug court advisory
14 26 commission with a report on the status of the drug court in
14 27 January of each year.

14 28 The bill defines "drug court" to mean a process that
14 29 combines judicial intervention and substance abuse treatment
14 30 at any stage of a criminal proceeding including prior to
14 31 charges being filed or upon probation or parole.

14 32 In order to determine eligibility for drug court under the
14 33 bill, an offender must first undergo a substance abuse
14 34 evaluation. The bill provides that an offender shall be
14 35 ordered to undergo a substance abuse evaluation if the offense
15 1 the offender was arrested for involves a controlled substance
15 2 or the offender was operating a motor vehicle while
15 3 intoxicated, the offender requests an evaluation, the offender
15 4 admits to abusing a controlled substance or alcohol, the
15 5 offender's drug test tests positive for a controlled
15 6 substance, or the offender has a previous conviction involving
15 7 a controlled substance or alcohol.

15 8 The bill provides that the court shall order an offender
15 9 into drug court if the evaluation reveals the offender is a
15 10 substance abuser, the court finds drug court would benefit the
15 11 offender, or the county attorney consents to the offender's
15 12 participation in drug court. The bill also provides the drug
15 13 court shall, when practicable, ensure that no agency or
15 14 organization provide both evaluation and treatment services
15 15 for the drug court to avoid potential conflicts of interest.

15 16 If substance abuse treatment is ordered by the drug court,
15 17 the bill provides that each judicial district shall establish
15 18 a system to ensure that drug offenders are placed into a
15 19 clinically approved substance abuse treatment program. A drug
15 20 court team shall monitor the progress of the offender through
15 21 drug court. Under the bill, if an offender is progressing
15 22 through drug court, the drug team shall make recommendations
15 23 for appropriate incentives to offer the drug offender subject
15 24 to court approval. However, if the offender is not
15 25 progressing, the drug team shall make recommendations to the
15 26 court for appropriate sanctions including expulsion from drug
15 27 court or incarceration.

15 28 Under the bill, upon successful completion of drug court, a
15 29 drug offender's case shall be disposed of by the judge in the
15 30 manner prescribed by the agreement and by the applicable
15 31 policies and procedures adopted by the drug court. The bill
15 32 provides the disposition of the case may include, but is not
15 33 limited to, withholding criminal charges, dismissal of
15 34 charges, deferral of judgment or sentence, or suspending the
15 35 sentence.
